DETAILED ACTION

Drawings

1. New formal drawings are required, because the drawings filed in this application are informal.

Allowable Subject Matter

2. Claims 1-32 and 34-44 are allowed.

Reasons for Allowance

3. The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or suggest individually or in combination the following:

receiving data from a source, compressing the data, storing the data in controller volatile memory, different from the host system memory, reading the data from the memory, decompressing the data and providing the data to a data consumer..

For these reasons claims 1, 15, 27 and 40 are deemed to be allowable over the prior art of record, and claims 2-14, 16-26, 28-32, 34-39 and 41-44 are allowable by dependency.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
